A QUESTION OF CHANGE.

Settled On the Street and in Court Yesterday Morning.

Henry Frisch, proprietor of the Cottage restaurant and manager of the Cottage saloon, engaged with another citizen of this place in a brief but spirited altercation on the street yesterday morning. The result was that the citizen mentioned applied the law of his boot to the person of Mr. Frisch in a forcible manner and on that once went to the office of Justice Neilson and

paid his fine, considering that he had received full value for the amount it had cost him.

The trouble yesterday was the outcome of someone's mistake a short time ago. In paying the citizen a bill Mr. Frisch claims that he gave him a five dollar bill, whereas in return he received a two dollar bill. The citizen, when his attention was called to the matter, said that it was possible that he had made such a mistake, but he did not consider it likely and upon second thought he knew that he had given Mr. Frisch a five dollar bill. Mr. Frisch had said that after making the error the citizen in question had bragged about it upon the street. Said citizen resented this accusation and told Mr. Frisch that his veracity could not be depended upon. Whereat the manager of the Cottage saloon threw glass at the citizen who departed from the place. Yesterday morning was their first meeting since, and the above mentioned affair took place at that time.

How about your Easter suit? See Hyder about it.

ELLERY'S BANDCONCERT.

An Excursion for South Side People Will Be Arranged.

C. F. Berger, manager of the Dorris Opera house was here yesterday talking up the matter of an afternoon excursion to the matinee to be given by Ellery's band next Monday afternoon. Mr. Berger called at the Normal and public schools to see whether or not the students of the two schools could not be permitted to attend. While not definitely decided upon, it is altogether likely that the excursion will be run from Mesa and Tempe about half past three Monday afternoon, reaching Phoenix for the matinee which will be held until four o'clock. Those who attend may return by the regular six o'clock train and get home in time for supper. Cheap rates will be made on the railroad and a reduction will be made for students at the opera house. It is not, however, only for students but for anyone who wishes to attend. Tempe people, if this plan is carried out, will be given an opportunity to hear the best music of the day at a very reasonable rate.

A week from Monday Chas. B. Hanford and Max D. Diefenthal will appear at the Dorris in "The Merchant of

Cottonwood in stove lengths, \$4 per cord delivered. E. J. Flumerfelt.

Yenice." On that occasion an evening excursion will be run provided any encouragement is given by South Side people. The management of the opera house and the railroad are perfectly willing to do their part and it is up to the people on the South Side to say whether or not the excursion will be run.

NORMAL TENNIS.

The tennis tournament at the Normal among the students is now being played. Up to the present time the singles have been played off. Miss Benson is the winner of a high priced toilet set offered by Laird & Dines. Mr. Bennett won the pair of shoes offered by the Arizona Mercantile company and Mr. Czarnowski received a beautiful pair of cuff buttons from T. H. Jones, the jeweler.

A SUNDAY SCHOOL PICNIC. The committee on arrangements for the Sunday school picnic of the M. E. church wish it stated that Sunday school scholars are expected to meet at the church at 9 o'clock tomorrow morning. There will be suitable conveyance provided there. Those living south of town may meet the rest of the party at the home of Mr. and Mrs. Niels Patterson.

INDIANS AS WITNESSES.

Deputy U. S. Marshal Walter Gregory came over from Phoenix on yesterday morning's train and in company with Mr. Finck, drove to the Indian reservation south of Kyrene in search of a couple of Indians, as witnesses, in the liquor selling case that was brought to light here last week. One of the Indians wanted was the man who had purchased, or rather claims that he purchased it from Ray Dyer. There were several other in the party at the time and most of them were found by the marshal yesterday. The cases will be given a hearing tomorrow.
